# ISOFREE PLUS STONE-GARD™

Topcoat for Stone-Flecks

2 Isofree Plus Stone-Gards to Choose from.....

**ISOFREE PLUS STONE-GARD™**  
**ISOFREE PLUS STONE-GARD SEMI-GLOSS™**

**Protective Topcoats for Countertop Refinishing**

### What is ISOFREE PLUS STONE-GARD?

**ISOFREE PLUS STONE-GARD** is a two-component isocyanate free topcoat designed to mimic the look, impact resistance, and durability of a real stone surface. **ISOFREE PLUS STONE-GARD** delivers maximum protection and coating lifespan for Hawk's **STONE-FLECKS™** multi-colors for countertops. **ISOFREE PLUS STONE-GARD** is superior to real stone because it is stain and acid resistant, and requires no annual cleaning and sealing...a key selling point to your customers considering real stone countertops.

### Why use ISOFREE PLUS STONE-GARD?

It is the only isocyanate free coating that was specifically developed for countertops! **ISOFREE PLUS STONE-GARD** is a high performance coating system that now also comes in a semi-gloss version. Now you have a choice of two gloss levels to give to your customer.
